Work in, over or adjacent to water

★ 2022 edition

INTENT: To eliminate or minimise the risks of fatalities, injuries and events arising from work over or adjacent to water and diving work.

INTENT AND CRITICAL CONTROLS

- Temporary works associated with works adjacent to or over water are effectively managed.
- Personnel are trained and competent and where required, licensed for diving work and vessel operation (e.g. boatswain's or coxswain's qualifications).
- Emergency plans and equipment in place.
- Risk of falling into water is managed.
- Vessel management.
- Personal flotation devices are worn over or adjacent to water.

Go, No Go or No Go (IR) Immediate Rectification

Use these prompts to discuss the Critical Controls for each fatal and severe risk and how they relate to your work area.
